Fort St. George, M a d r a s.

Sir,

The Principal, St.Ann's Training College, Mangalore, applied for permission to build a first floor to the existing buildings. In view of the restrictions imposed by Government on building materials(vide Government Memorandum No.9637 B/42-3 dated 27.4.1942) the Principal was asked to submit an alternate scheme and she was requested to examine whether a tiled building in the open space available will not serve the purpose.

2. Now the Principal has renewed the proposal and has submitted a copy of the letter from the Regional Deputy Iron and Steel Controller, Madras Circle in support of her request (copy enclosed). The estimated cost of the scheme is Rs. 16,800/-.

3. As I am convinced of the need for the additional accommodation for the college, Government may be pleased to permit me to include the scheme in the approved

No.11/46 dated 7.3.1946 from the Correspondent,St.Ann's Training College,Mangalore to the Director of Public Instruction,Madras.

Subject:-Grant-Building-Construction of a storey to the existing building.

Refee.:- My letter No.62/45 dated 26.12.1945 and your Proceedings R.C.No.1452-D/45 dated 9.1.1946.

I have the honour to request you to be so good as to reconsider my appeal for raising a storey to the existing building. The vacant land in the school compound is too little,so much so that it barely suffices the needs of the playground. Hence the necessity for putting a First Floor to the existing building.

Cement is freely available and iron too appears to have been released for public and private buildings. The Controller of iron and Steel in his letter (copy enclosed)gives us hope of the availability of rods. The estimate is slightly modified by substituting R.C.Beams in place of R.S. Beams.

I request the favour of early sanction and oblige.

Thanking you,

Sir, SUB:- GRANT - Building - St. Ann's Training College, MANGALORE.

****

In Government Order No. Ms.953 Education dated 8-5-1946, the Government sanctioned the inclusion in the list of approved works, of the scheme for the construction of a first floor to the existing buildings of St. Ann's training College, MANGALORE, at an estimated cost of Rs.16,800/- thus rendering the Institution eligible for a grant of one half of the cost not exceeding Rs.8,400/-.

Detailed plans and estimates were called for from the management and they have been scrutinised by the Joint Consulting Architect. The Joint Consulting Architect has recommended that the plans and estimates may be approved for Rs.28,950/-. This will render the Institution eligible for a grant of Rs.14,475/- on half grant basis against the amount of Rs.8,400/- originally sanctioned.

I request Government orders raising the grant originally fixed

and to permit me to approve the estimates at the enhanced amount.

Yours faithfully,

A. DIRECTOR OF PUBLIC INSTRUCTION.
